***Leadership in Primary Care: Progress, Opportunities and
Challenges for Primary Care Reform in Ontario***

DATE: Wednesday, September 22, 2010

PLACE: Geraldo's at LaSalle Park
50 Northshore Blvd. E.
Burlington, ON

LOCATION: Main Pavilion

TIME: 1730h - 2030h

TOPIC: Primary health care is generally the first point of contact Ontarians have with the health care system. For years, patients, communities and health care advocates have pushed for primary care reform that will deliver to Ontarians more access and better services. Family Health Teams (FHTs) and Community Health Centres (CHCs) have been advocated as effective ways to reform the province's primary health care system. This panel event will highlight the progress, through FHTs and CHCs, in reforming primary care in Ontario, as well as the opportunities and challenges for future primary care reform.

The event is also the Hamilton & Area Chapter's annual 'bring a friend' event. Colleagues of CCHSE members are able to attend at a reduced cost from the normal non-member rate.
